

#### Gifts worth getting excited about

Desirable style, quality and innovation come together in Avenue's carefully selected branded ranges.

#### Brands that make your promotion shine

Avenue continues to be the premier place to shop for quality branded gifts which are perfectly presented for promotion. Our uniquely diverse selection of widelyrecognised names together with exclusive, specially-developed promotion-friendly brands gives you the ultimate choice in custom-decorated gifts.

Alongside our proudly gathered collection of internationally trusted names, Avenue's ever-expanding portfolio of promotion-specific brands gives you access to products that are really designed for purpose. Marksman, Seasons, Elevate, iFidelity, Zoom and STAC, now complemented with the addition of BRIGHTtravels, Field & Co and California Innovation, present quality and originality that can't be found in the shops.

#### Ones to watch in 2016

A plentiful choice of new items across a broad spectrum of categories makes this year's selection more inspiring than ever. From ever-evolving technology and cleverly functional bags to smartly designed stationery items, we've got refreshing solutions for all kinds of situations. For those on-the-move, BRIGHTtravels is a new brand of cleverly thought-through travel accessories. Closer to home, trendy US Basic sunglasses and Seasons' extension into BBQ and picnic accessories brings added pleasure to outdoor entertaining.

#### **Personally yours**

All Avenue gifts are selected for their suitability for personalisation. We offer a wide choice of quality decoration options so you can make the best possible impression. Adding your branding to these items delivers a clear and attractive message that gets your business noticed, in the nicest possible way.

Pleasingly impressive promotion.

Technology remains among the most in-demand gifts, and Avenue keeps you in the loop with new possibilities as they become available to the promotional market. For 2016 we are pleased to offer Apple®-certified charging connectors, plus a host of new Bluetooth® headsets and earbuds. Our powerbanks continue to get slimmer and have larger capacity, while also incorporating additional speaker functionality and changeable sleeves which enable easy customisation. Meanwhile the new ifidelity Rollbar Speaker stand is an inspiring alternative design.

# AVENEWS

### BRIGHTtravels brings smarter packing to every trip

BRIGHTtravels presents a clever collection of packing solutions that enable you to travel lighter and smarter. Specially designed for holding and organising your in-transit essentials, they take the stress out of packing and make it easy to access the things you need on-the-go. It's time to re-think the way you travel.

# FIELD & CO.

#### On-trend nostalgia, with Field & Co

Fusing nostalgic style with modern-day quality in a highly fashionable look, Field & Co is our new brand of bags. Affordable, yet durable, Field & Co's collections satisfy the promotional market's demand for on-trend products at a less expensive price than comparative retail counterparts.

# California Innovation delivers ingenious cooler bag quality.

Since 1986, California Innovation has been leading the way in softsided insulated products. Avenue is now delighted to offer a selection from their diverse range of high-quality cooler bags.

Designed for all-round impressive performance, California Innovation's bags complement extensively tested temperature preservation with ergonomically designed shoulder straps, so carrying your cooled refreshments is as comfortable as possible. The inspiring choice of models can be rolled, carried or slung. For the ultimate cooler bag experience, California Innovations has it all!

### Discover Elevate's new entry level bags

Elevate's new Milton range of bags extends the brand's accessibility with four entry level models. Slightly more basic in design than the main range, but maintaining the same great quality Elevate has built its reputation on, these offer sporty style with distinctive blue accents. Next to this fresh Elevate bag collection we also offer a brand new global Elevate apparel collection in our Label catalogue.

# Go vintage with Slazenger's Chester bags

Slazenger's new Chester range of bags delivers modern day functionality with vintage styling. The five on-trend models, which includes a laptop bag, are ideal for a variety of different purposes and preferences. Dark blue polyester finished with brown imitation suede details creates a broadly appealing look. Also check the new on-trend retro styled Slazenger apparel collection in our Label catalogue.

# Drinkware as you've never seen it before

On-trend designs and multi-functional purpose bring new dimensions to drinkware for 2016. Geometricallyshaped surfaces and copper-look colouring align well with this year's look. While the ingenious integration of bottle and Bluetooth speaker in a single object makes for two gifts in one.

Constru

# Expand your possibilities with WorldSource

When you're looking for originality beyond our standard catalogue offerings, WorldSource has all the solutions. Flip this brochure around and go to the central section to find out about this infinite world of possibilities.

# LUNAR LIGHTWEIGHT 15.6" LAPTOP BACKPACK

#### 420D Ripstop Polyester.

The bag is constructed from a nylon box dobby with a water resistant coating including subtle reflective accent materials and reflective Elleven logo print for increased visibility at night. The design efficiently features a front vertical zip pocket with a waterproof zipper. The large main compartment has a multi-layered storage panel on the front wall and the back wall has a padded tablet pocket. The zippered, fully padded laptop compartment in the back will hold up to a 15.6" laptop. A combination of lightweight mesh and fabric straps paired with a soft mesh padded back panel keep the bag comfortable, while keeping the bag light as a feather. The back includes the trolley band. Two exterior mesh pockets easily fit larger water bottles or extra gear.  $_{26,6 \times 11,4 \times 43,2 \text{ cm}}$

# FLARE 15.6" LAPTOP LIGHTWEIGHT BACKPACK

#### 420D Ripstop Polyester.

The Flare is both functional and comfortable. The bag is constructed from a nylon box dobby with a water resistant coating and reflective Elleven logo print for high visibility at night. The bottom of the bag is lightweight tarpaulin making it water resistant and easy to clean. Features a bottom pocket, roomy enough to fit power cords, headphones or even a light coat. The large front pocket has a waterproof zipper. The large main compartment with extra deep zipper opening includes an organizer panel on the front wall and a tablet pocket on the back wall. The zippered, fully padded laptop compartment in the back will fit up to a 15.6" laptop. Soft mesh padded back panel and cushy straps are both comfortable and ergonomic while keeping the bag light as a feather. The back includes the trolley band. 30,4 x 15,2 x 50,1 cm

# DECORATION INFORMATION

# DEBOSSING

Debossing creates an indented image by applying a die to heat-pressed area.

- Create a unique 3D look
  - Subtle tone on tone look
  - · Adds perceived value
  - · Great for real and imitaion leather
  - product

# LASER ENGRAVING

Laser engraving is achieved through using a laser beam to precisely etch decoration into a surface.

- · Create a high-class impression · Unique tone on tone
- · Superb result for metal, glass and wood

# HOTSTAMPING

Hot stamping is debossing with a metallic finish, created by applying foil between the to-be-decorated surface and the dve.

- · Exceptional superior impression
- Create a unique 3D look Ideal for real and imitaion leather
- product Available in silver and gold finish

# EMBROIDERY

Embroidery is decorating a fabric by stitching thread in a pattern. · Classic decoration technique

- High value look
- · Suitable for both flat and irregular surfaces
- · Tread colours to match any logo
- Up to 12 colours per embroidery
  High impact wool stitch

# **SUBLIMATION**

Sublimation is a printing method where ink is heated to turn into gas and form a permanent bond with the to-bedecorated material.

- · Premium full-colour photorealistic prints
- Suitable for polyester fabrics (minimum 60% polyester) and
- polymer coated products · Soft, flexible imprint that can even be
- applied over seams and zips · Decoration is resistant to fading and cracking
- · Only suitable for white products

# TRANSFER

Transferring is done by first creating a screen print image on paper and then using heat and glue to transfer it onto the chosen article.

- · Ideal for fabrics
- Perfect for logos with many colours
- · Allows for extreme detail like small
- text Free standing text
- · No contours required
- · Economical solution for multicolour printing of smaller quantities

# DOMING

Doming is used to create a 3D version of your image by shaping a raised surface beneath the print. A mould is formed, printed and filled with epoxy which is then hardened to maintain its shape. Create a 3D effect

- Strong resistance to fading or damage
- · Can only be applied to flat surfaces

# SCREENROUND

Screen round is based on the same method as screen print but the product is turned during the printing proces, making this method suitable for curved surfaces.

- · Long lasting results
- · Apply sharp, high-quality decoration on curved products
- · Economic choice for large quantities · Multi-colour decoration available on a selection of pens
- Ideal for text

# SCREENPRINT

Screen printing or silk screen is a printing method where the image is imposed on a mesh screen with blank areas coated with an impermeable substance. Inks are then pressed through the mesh screen to produce clear, sharp images.

- Long lasting results
- Good cost-effective solution for larger quantities
- Allows single and multi-colour decorations
- Ideal for text
- Can only be applied to flat surfaces

# PADPRINT

Pad printing or tampon printing is an indirect offset printing process that involves ink being transferred from a engraved metal plate via a silicone pad onto the product creating the image. • Great all-round cost-effective solution

- Can be applied on virtually any shape
   Suitable for any surface texture
- Suitable for any surface texture, including soft products like stress balls
   Perfect for multi coloured logos
- Fast and economical

# DIGITAL PRINTING

Digital printing is similar to inkjet printing. Micro droplets of ink are squirted onto a product to create an image. The ink is instantly cured by exposing it to UV light. • Perfect for multi coloured logos

- Perfect for multi coloured logos
  Create a unique effect with matt, gloss
- or embossed finishes
- Strong resistance to fading or damage
  Ideal for small quantities
- Can only be applied to flat or slightly curved surfaces
